

PRIVACY POLICY

The Agency (referred to herein as “the company”, “we” or “us”) is committed to protecting the privacy of the users of its application. This statement discloses our privacy practices. The purpose of this statement is to inform you: What information we collect from users and how the information is used by us; whether we disclose user information to third parties; how you can access, update or delete any information that we collect about you; and the security procedures in which we use to protect your personal information.

By using The Agency application, you are agreeing to the company’s Privacy Policy. We reserve the right to change, modify, add, or remove portions of our Privacy Policy at any time. Please check this page periodically for changes.

HOW WE COLLECT INFORMATION

You can visit TheAgencyRE.com without revealing any personal information. Third-party web servers collect personal information addresses, but not the email addresses, of visitors. This information can measure the number of visits, average time spent on the site, pages viewed and other such statistics. Voluntarily, you may be asked for information that identifies you, including your name, email address, mailing address, zip code, telephone number, fax (collectively, “Personal Information”). You may also elect to provide such information to us by sending or responding to emails regarding certain listings or services offered on our website.

HOW WE USE AND DISCLOSE YOUR INFORMATION

We collect, generate, retain and use your Personal Information for our own internal purposes in connection with the facilitation, recording and processing of any requests, communications, or interactions you may have with our Website. We also automatically collect and store statistics and other information about you and your online activities on an aggregated, non-personally identifiable basis and in a manner that may allow us or our affiliated or related entities to improve our services to the consumer. In addition, your Personal Information may also be used to provide you with information regarding our products and services. For example, we may use your email address to send you special announcements and notifications of new listings, services or promotions that may be of interest to you.

INFORMATION SHARING AND DISCLOSURE

When you request information, we need to know your name, email address, and mailing address. This allows us to process and fulfill your request. We do not sell, trade, or rent your personal information to others. We may provide aggregate statistics about our customers, sales, traffic patterns, and related site information to reputable third-party vendors, but these statistics will include no personally identifying information.

DATA SECURITY

Data security is critical to us and thus all Personal Information is held in a secured database. While it is impossible to guarantee the complete security of any computer system and the data contained therein, our vendors are required to maintain and implement robust security policies and procedures that combine with available technologies in accordance with prevailing industry standards, all of which are designed to protect the confidentiality, integrity, and availability of your Personal Information. To the extent we are provided with social security numbers or personal financial information, we comply with all applicable regulations regarding the confidentiality and safe disposal of such information.
